CUPPY

Nelson county, Kentucky notes, made from original by Hattie M. Scott, Frankfort, Kentucky, April 1937.

Aaron Cuppy married Ruthy Bunch, widow of James Bunch, July 29, 1797. Isaac Hibbs signs the bond.
John Cuppy, son of Aaron, married Mar. 8, 1817, Fanny Bridwell, dau. of Bailey Bridwell.
Polly Cuppy, dau. of Ruth Cuppy, who gave consent, married Charles Ratliff, Aug. 28, 1823. (John Goodlet, bondsman).

Aaron Cuppy evidently died in summer of 1823, as his inventory is shown in July 21, 1823, and as having a small personal estate of less than $300.00 value. His inventory and sale are shown in will books D, page 558, and E, page 17. At the sale were Mary Cuppy who bought a mare, Overall Whitledge who bought a cow, Wm. Cuppy who bought a blue roan colt, Ruthy Cuppy who bought calves, and few other items, Melissy Cuppy who bought a kettle, Sarah Cuppy who bought some small items, Joseph Hibbs, and others. I mention all Cuppy names and few that are connected with them on other things, and may be neighbors or relatives.

Wm. Newbolt was admr. and in fnal settlement, Mar. 1828, (F-277) states that there was a balance of $282.28 when debts were paid. No division was shown to name the heirs.

The first Cuppy deed:-

Ruth Cuppy buys of Henry Crist of Bullitt County, Aug. 21, ~~1833~~ 1832, for fifty pounds, 50 acres on west fork of Cox's cr., adj. Joseph Hibbs. (Wm. Cuppy and John Overall, wts.) Deed 19, page 255.

Ruth Cuppy sells, Sept. 10, 1832, this same fifty acres to Jacob Lutz. (page 265, deed 19.) (These are the only Cuppy deeds.)

As I recall, Aaron Cuppy paid taxes on this 50 acres prior to his death. If so, it perhaps was bought during his life time but deeds not executed till after her husband's death, yet the deed did not state so. Henry Crist was a great land owner, first as a res. of Nelson, then was either cut off into Bullitt, or moved over into Bullitt. I tried to find if he could have been related to Ruth Cuppy, but he had such extensive lands, that I doubt there was any relationship, especially as she paid 50 pounds for 50 acres, a good price then for that land.

Could find no other mention of Cuppy. The order books from 1840 to 1859 failed to show any record of Wm. Cuppy.

Only the men's names are indexed in the marriage bonds on file here, and only the bonds are on file. They contain many names not recorded, and vice versa the Register has many marriages for which there seem to be no bonds. So, I went thro the bonds here and the register in Nelson, but could not go thro the register for women's names as they are too extensive. I did spend several hours going thro the bonds here for women's names, and am including all that I found, which were few.

Spent yesterday in Nelson county and made hasty search for Aaron Cuppy. He left no will, and apparently no land, for could find no deeds of him or heirs. I hastily went thro few will books trying to get names of heirs, but he had only a small personal estate of less than $500.00 and evidently all heirs were grown and settled it among themselves. At the sale of this estate were Mary Cuppy, Wm. Cuppy, Ruthy Cuppy, Melesey (could make nothing else out of it) Cuppy and Sarah Cuppy. Evidently they were his children or wives of his sons(Mary, Melesey, and Sarah).

Wm.R.Looney of 300 E. Kirkwood,Fairfield, Iowa, is interested in the Wileys and Looneys. I may have told this to you before.

Yours truly,

Hattie Scott

In Order Book (not numbered or labeled), page 32, The court of Monday, Jan. 20, 1823, Ruth Cuppy, widow of Aaron Cuppy, dec'd relinquishes her right to administer estate of her dec'd husband. Wm.Newbolt made admr., John Overall, his security, with bond of $1,000.

James Bunch married Sarah Oakes, dau. of Nancy Okes, Feb. 17, 1816. (bond) signed by Samuel Okes
George Bunch and wife Elizabeth deed to James Speake, land on the drains of Kimlays run, Nov. 1, 1800. (deed 6, page 627)

These are the only two mentions of BUNCH that I see. The name of Burch is so common in the records that I wonder if they were used interchangeably.

Aaron Cuppy married in Nelson County, Ky., July 29,1797, Ruthy Bunch, widow of James Bunch. Isaac Hibbs,bondsman.
John Cuppy, son of Aaron Cuppy who gave consent, married Mar.8, 1817, Fanny Bridwell, dau. of Bailey Bridwell.

AARON CUPPY , deceased, sale bill of personal estate shown in will book D, page 558. (according to wills abstracted, the page would indicate this was dated later than May 1823.)

(Have no will abstracts later than Jul.1823, so do not have further CUPPY data on hand).

The name of Aaron and Ruth Cuppy's children would indicate she was related to the Haydens, or Johns, of whom there were hundreds in Nelson county early.

Could find no record of Jas. Bunch in Nelson Co. Perhaps she came to Ky. as a widow.

Dear Dr. Shriner:-

I rushed to the Historical Society library before they dismantle that room for repairs, as the rest of the building has been. I went yesterday and today, and went thro all the tax lists available thro 1839 where they stopped. Later ones are filed in an inaccessible place for me. The following are what I found, and I can't reason out why there would be two Aaron Cuppys:

Aaron Cuppy 1st appeared in No. 1, 1795, 1 male 21, himself, and no land.
" Cuppy in 1797, with one male 21, and 1 between 16 and 21.
" " 1801, list No. 2.

Aaron Cuppy appeared in each year with only one male 21 (himself) thro 1810, and no land.
Aaron Cuppy first had land in 1811, then had 50 acres on Cox's Creek.

He was the only Cuppy listed thro 1818, then appeared-

John Cuppy in 1819, no land. This shows he became 21 then, if a son of Aaron. What became of the one between 16 and 21 in 1797 I can't tell you.

John and Aaron continued, Aaron with 50 acres, and John with no land, thro 1820, 1821
In 1822 Aaron had the same 50 acres, and in 1823 and 1824 Aaron and John were not listed, but

Ruth Cuppy had 50 acres in list No. 2, of 1824. Ruth continued to be listed as a tax payer with the 50 acres thro 1829 when
Wm. Cuppy 1st appeared as a taxpayer, but with no land. That indicated that Wm. just became 21.
Wm. Cuppy had the 50 acres in 1830, also 1831, but John disappeared from the tax lists in or after 1821.
Ephraim Cuppy appeared first in 1831 when Wm. had the 50 acres.
In 1829 Ruth had no males 21 in her household.

None of the Cuppy name were listed as tax payers in 1837, 1838 or 1839 where the lists ended. Evidently they all passed on to greener pastures.

You see the tax lists do not give women's names at all, nor were they considered important in any way, it seems. Only when a widow had land was she ever named.

According to the Census at Washington one Aaron Cuppy had 8 sons. However, one could have been himself, and another his old father who was not a taxpayer. Then, who was the other Aaron Cuppy who had four sons and himself, making 5 males in the house, I believe there is some mistake in the whole thing, as to the Census, and yet they are supposed to be authentic. John did not appear till 1819, and if he had all that family he must have been a brother of one Aaron and come in from another county or region. I do not see how that could all be straightened out without a search of the county records, and yet with no land, but the 50 acres, there is not much likelihood of their being in the deeds. So where are we? Old men usually were not taxed.

If Aaron had only two sons who was Ephraim? If he had one son between 16 and 21 in 1797 what became of hime in later years when he would have been 21 by 1803 or 4? It may be, however, if a son was 21 and had no horse or anything to tax and living at home that he would not be listed for taxes. Usually they wer- given a horse by time they were 21, and were taxed for that alone.

Nelson has always been a large county and still is , and there is one, two or three lists for each year, as they were divided into districts.

The deeds in Nelson are in fine condition, but the books were made for Samsons to handle, for several of them weigh at least 50 pounds. I can scarcely lift them, but many of the records are hard to find, not being placed properly, nor labeled as they should be. However, many counties are in worse condition, such a Green where I went twice last fall.

If you had the records at Bardstown-searched I know of nothing else you could do. I am going to Mt. Sterling for several days, leaving on Monday morning. Their marriage records are all missing prior to 1865, but wills and deeds are there. I believe one deed book is missing.

I will ask $2.00 for the time ppent in the tax lists, and sorry I could do no more, but did my best. I even went thro the birth statistics of 1852-1862 to see if any of the name there then, but none, I hardly thought so as they were not there in 1837-39. The births have allbeen copied and put in alphabetical order, card indexed and easy to find quickly. They have a woman working on the deaths now, and that will be grand when finished, as it is such slow work going thro them for births, deaths andmarriages. Sorry that law was repealed in 1862. Let meknow if there is anything else I can do. The county was formed in 1785, but no tax lists there till 1792/

Very truly yours,

Hattie Scott

My typewriter is in such bad repair, then I am tired tonight and can't hit a correct key to save my life. I can't give up my machine long enough to send to the hospital in Lexington. Then, I know they will ask a big price to repair it, as usual.

Dear Dr. Shriner:-

First, the "one male 21", means one male over 21, and not that he has just become 21. He could be 45 or 50 because exact ages were not shown in Census report till year 1850, and in watching for sons to appear in the tax lists it means they have just reached the age of 21, or would not be taxed. However, when it says"2 while males over 21", which is not often the case, because they usually marry and leave the parental roof by the time they are 21, The, it could be a younger brother, of either father or mother. Thus, it does not always mean that it is a son. It is just waht it says "one male over 21" in the household. Females are never listed. So, Aaron Cuppy couldhave been just 21, or much older, and no way of telling except by family data, or Bible records. It was. Aaron Cuppy's first appearance on the tax rolls.

Untill I looked again into the tax lists I could not recall whether or not theyey were in alphabetical order, and was of the impression that they were not, but find that they are, and there is no way of telling who was in their neighborhood. In the vital statistics some are in alphabetical order, but most of them are not. As Aaron's name did not appear till 1795, it shows that he was at least 21 years old then, and may or may not have been in Nelson prior to that date. No, women were not taxed except under the name of a widow as owning land. Other women were not listed.

I did not look very carefully for Bridwell, but did see the name Bidwell often. It may have been Bridwell, and incorrectly spelled. The clerks spelled all names as they sounded, if not very sure what they were.

You may note that there were Arnolds there early and that Charles Ratliff never appeared at all as early as 1820, and the only one by that name was Mary Ratliff in 1823 list No. 2, as having no land, and no white male 21. She again appeared in in 1835 and 1836 with 153 acres, and still no male 21. Charles did not appear at all, unless prior to 1820, and he could have come in from an adjoining county and married . Did Charles walk out on Mary Cuppy? since he didnot appear, or was she mother of Charles?

Lewis county was not formed till 1807, then from Mason, or 1806, and not recorded till 1807, and I went thro each year from the beginning thro 1833, as you note, except when that year was missing, as 1813, 1818. You may note that neither Andrew nor Adam Looney were listed.

I hurried thro this as the room where these lists are filed may be dismantled any day, and it will be many weeks, or perhaps three or four months before they would be available. Every other room is dismantled, and almost impossible to get into the building, for plaster, lumber, mechanics, and what not, with book cases and files from the other rooms filling the halls and passageways.

I do not recall whether I have been in Lewis county since I sent you what data I had or not. Will go to our attic tomorrow and gothro everything I have from Lewis, and see if I have anything to add. I also collected a lot of Walker data of one line, Mareen and Gideon Walker once upon a time. I have it filed, and will go thro that for anything I might uncover. A Dallas woman prosecuted me for months trying to get me to get her Walker line of Gideon and Mareen Duvall Walker, and I surely spent a lot of time

Nelson

but could not get very far without making the trip there which she did not want to pay me to do. Finally, I got commission to go there, and spent a full extra day and night on her Walkers, and she told me she had already gotten it. I never was so mad, for as little as she could have done was to tell me so, and save me that extra time and expense. I have finally learned not to get stuff for people like that till I have my money in my hand, because I have "gotten stung" so many times.

The man that made me madder than anybody wrote me on some very imposing stationery of a New York firm, and asked me about running out his line, and I wrote what I would charge, and his secretary wrote me that he was vacationing in the White Mountains, and she had phoned him and he told her to write me to go on with it, which I did, and he did not pay me. I had spent days and days on the work, found old Bibles, revolutionary service and a complete line.

Have had many odd experiences. One woman was to pay me $25.00 to run out a line, and I sent her extensive data, and after weeks had not heard from her, so wrote and asked if she had received it. She had written on stationery showing her husband was a big official of one of the Western Railroad lines, and he replied that his wife had died suddenly of a brain hemorrhage, and he sent me the money. They are just two of many. Of course after I know people I trust them, and not sorry, for I do a lot for New York publishing firms- of genealogy.

The Walkers in the tax lists are endless, thus I believe my data might be better to search than the tax lists.

If you care to make any other suggestions do so. I did not get to go to Mt. Sterling because of a terrible cold, but hope to be better and go next Monday without fail, and stay all week there and in Clark county, Winchester.

Very truly yours,

Nellie Scott

Mr. Cuppy stated that his father had always said that it would pay not to go back too far in the family. He is a man of around 60.

It would seem that he might be of the family that laid out New Cumberland.

Mr. Cuppy also said that a Cuppy from the West had stopped there several years ago. And said that while he wasn't looking up the family tree that he always made it a practice to look up any Cuppys where he might be.

Terre Haute, Indiana

Dear Sir,

Am enclosing some material on the Timmons - Meek descendants also the Abram C. and William H. Noble families. We have talked to Mrs. Lylah R. Price of Mt. Pleasant and Mrs. Irona Fawcett Timmons and also had some correspondence with them. We visited Wellsburg- and found some information on the Huffmans wich may or may not be new- sent copies of this to Mr. Felton and Mr. Bowers. We also copied the bill of sale of goods in the John Cuppy estate and if you do not have that and would be interested- could send you a copy. We can go a little farther into the study of estate settlements in Jefferson County- though if there rather wasn't isn't a will- they didn't put down much other than the surities and amt. of the estate.

Mrs. Ross Cherry and I have had some correspondence. What we have been able to send her- including some information we got from the son-in-law of the late a local historian of Akron and of Ohio F.P.Cherry has been of some help to her- she says but outside of several - she knows who they married- and lists these as being possibleCuppy (or Cherry) ties. She thinks that she will have to make a trip to New Jersey to clear up some of the records and she may find something that would help us.

Right now, we seem to have about all the dates we can locate but may be able to fill in more later. If there is any question about any of the enclosures, let us know.

Sincerely,

Frances Jewell Spence

Mrs. Park R. Spence

Tentative Outline - 1940

THE CUPPY FAMILY IN AMERICA

The earliest data now available on the progenitor of the Cuppy Family in America is that contained in the application for pension as a Revolutionary War soldier by a son of the first Cuppy. This son, born March 11, 1761, near Morristown, New Jersey, was still an infant when his parents, John and Margaret (Parker) Cuppy removed to Hampshire County, Virginia, and settled on Mill Creek near Romney.

Public records on file at Morristown, New Jersey, only go back to 1785. All earlier records are private and are on file at the Surveyor General's Office at Perth Amboy, N. J., where they may be examined for a fee.

The records at Romney, Virginia, in Hampshire County, show that Benjamin Parker bought a large tract of land on Mill Creek from the Proprietors of Northern Virginia on Mar. 5, 1763. Then on June 9, 1766, Benjamin Parker and wife Margaret sold 227 acres of this tract to John Cuppy. It is quite probable that Benjamin Parker was the father-in-law of John Cuppy and that the families left New Jersey and settled in Hampshire County, Virginia, in 1763. On Aug. 16, 1787, John Cuppy bought 350 acres near his first tract on Mill Creek from the Mercer & Lewis Estate at a public sale. On April 1, 1794, John Cuppy and wife Margaret sold the 350 acres they bought from Mercer & Lewis for 225 lbs. A week later, on April 8, 1794, John Cuppy and wife Margaret sold the 227 acres which had been purchased from Benjamin Parker for 350 lbs. It was about this time that John Cuppy and wife Margaret removed to Brooke County, Virginia, on the Ohio River, near the present town of New Cumberland, (now Hancock Co., W.Va.) where his son John Cuppy, Jr., had settled.

John Cuppy, Sr., resided in Brooke County, Virginia, (now New Cumberland, W. Va.) until his death in 1802. He left a will dated August 4, 1801 which was probated in Sept., 1802 in Brooke County, Virginia (Will Book No. 1, page 13, Brooke Co., W. Va.) His will reads as follows:

"In the name of God, Amen, I, John Cuppy of the County of Brooke and the Commonwealth of Virginia, being weak in body but of sound and persuit mind and memory, considering the uncertainity of this mortal life and of sound mind, blessed be the Almighty God for the same, do make and publish this my last will and testament in manner and form as follows - viz.- that is to say - First, and principally, I give and recommend myself unto the hand of Almighty God who gave it and my body, I recommend to the earth to be buried in a decent form at the descretion of my executors, not doubting but at the General Resurrection I shall receive the same again by the power of the Almighty God,

"And as touching such worldly estate as it has pleased God to bless me with in this life, I give, demise, and dispose the same in the following manner and form:

"First, I do constitute and appoint my wife, Margaret Cuppy, and my two sons John and Abraham, my sole and whole executors to decide in all cases whatsoever to the best advantage and the mutual happiness of the heirs of my estate,

"Second, I give and bequeath unto my dear and loving wife all my personal estate, perishable property, to dispose of as she may choose,

"Third, I give and bequeath unto my grandson John Cuppy, son of Abraham Cuppy, all my land estate, - he the said John paying an equal share of the value of said land to all my heirs if he think proper to hold the land and the said Abraham Cuppy shall have full power to choose for the boy whether or not he shall keep the land or not at the value share of,

"Fourth, and as to what clothing there is may be left of my wearing apparell, they are to be equally divided among my three sons as may best suit themselves, and

"I do hereby alter, disallow, revoke, and disannul all and every other former testaments, wills, or legaseas, or executors, by me in anywise before mentioned. In testimony of which, I hereunto set my hand and seal this 4th day of August in the Year of our Lord one thousand eight hundred and one.

JOHN CUPPY /Seal/

"Signed, sealed, pronounced and acknowledged by the said John Cuppy as his last will and testament in the presence of us, who in the presence of each other have hereunto set and subscribed our names. HENRY WELLS , CHRISTIAN HERR.

"Brooke County, September Term of Court, 1802. The foregoing is a true copy from the original proved in Court by the oaths of Henry Wells and Christian Herr, the suscribing witnesses thereto and ordered to be recorded. JOHN CONNELL, Clerk Br. Court."

The widow of John Cuppy, Sr., Margaret (Parker) Cuppy, died near New Cumberland, then Brooke County, Virginia, in 1816. Her estate was composed of personal property left her by her husband as stated in the will above. The Margaret Cuppy Estate Inventory report was dated Jan. 3, 1817 and was made by John Pettinger, Wm Hewitt, Andrew McCowen, and Hugh Pugh. The Public Sale of the estate was held Jan. 6, 1817 and among the purchaserers were: Robert Mills, John Cuppy, Aaron Bartholemew, Samuel Bartholemew, Moses Pugh, John Thomas, etc. John Cuppy, Jr., was administrator of the estate. As the proceeds barely covered the expenses of funeral, etc., no report of distribution among the heirs was made.

However, the death dates of John Cuppy Sr and his wife Margaret are established and their birth dates can be approximated on the basis of known dates of several of their children: John Cuppy Sr. being born about 1735 and died in 1802 Margaret (Parker) Cuppy being born about 1740 and died in 1816. They were probably married about 1757 in Morristown, New Jersey, and Margaret's name being Parker is a tradition in the Abraham Cuppy branch and is strongly verified by the land records of Hampshire County, Va., when John Cuppy Sr bought his first land there in 1866 of Benjamin Parker and wife Margaret.

The deed records and early tax records of Ohio and Brooke Counties do not show that John Cuppy Sr ever owned any land there. It is quite possible that the land of which he spoke in his will was located in Ohio and west of the Ohio River. His son, Abraham Cuppy, settled in Ohio and not in West Virginia.

Up to the present time, it is not definitely known how many children John and Margaret (Parker) Cuppy, Sr. had. Two sons, John Jr. and Abraham, were specifically named in the will of John Cuppy Sr while a third son was mentioned but not named. In the Virginia Census of 1782 for Hampshire County, John Cuppy,Sr., is listed as having a family of 7, while his son, John Cuppy, Jr., is listed separately as having a family of 4. This would indicate that in 1782, there might have been five children in addition to John Sr and his wife living at home. These five, plus John Jr who lived separately, would have made a total of six children. In the Virginia Census of 1784 for Hampshire County, the size of John Cuppy, Sr's family was given as 5, while that of John Cuppy, Jr., remained at 4. This change within the two years would indicate that two members of the John Cuppy Sr Family had either died or left the family roof. Of course, it needs be recognized that other children may have been married and away from John Cuppy Sr's roof prior to 1782. There are only the two Cuppy names to be found in the above mentioned Virginia Censuses.

It has been reported that the six children of John and Margaret (Parker) Cuppy Sr were: (1) Elizabeth, (2) John, Jr., (3) Abraham, (4) Henry, (5) Sarah, and (6) Daniel. This list was supplied by C. A. McGrew, 73 McMunn Avenue, Crafton, Pa., who is a descendant through the Abraham Cuppy branch. No record has been found of the existance of the son, Daniel, but it is quite possible that this is the same son who went by the name of Aaron Cuppy and who married in Nelson County, Kentucky, as early as 1797. However, it is possible that Aaron Cuppy may have been the son of Daniel, provided that Daniel was one of the eldest of the children. If the land estate settlement of John Cuppy, Sr., could be found as provided for in his will, his heirs would be mentioned therein.

DATA ON THE 2ND GENERATION

I. ELIZABETH CUPPY. Tradition has it that "Betsy" Cuppy was the eldest of the children and was born in New Jersey several years prior to the removal of the family to Hampshire County, Va. There is little doubt but that she married in Hampshire County, Virginia, if she married.

II. JOHN CUPPY,JR. John Cuppy, Jr., was born Mar. 11, 1761 in Morristown, New Jersey. He was a small infant when his parents moved to Mill Creek, near Romney, Hampshire County, Va. In 1779, he enlisted in Capt. McManus' Co., Virginia Militia, and saw action against bands of Tories under Tarlton. He states in his application for pension that he married about this time. His wife was Elizabeth, last name unkown, but it may have been the daughter of John and Elizabeth Glaze from whom he bought a tract of land on Mill Creek. In 1788, John Cuppy, Jr., emigrated to Ohio County, Virginia, near New Cumberland site but later moved his family to the Govt. Blockhouse near present town of Wellsburg because of Indian trouble. From the spring of 1791 to autumn of 1794 he served as scout in the Indian campaigns. On Aug. 17, 1796, he was appointed captain of a company in the first batallion, 4th regiment, 3rd division, of the Virginia Militia, and aided in putting down the rebellion against the new excise laws. At the end of the Indian trouble

in 1794, John Cuppy Jr bought a tract of 500 acres along the Ohio River in what was then Ohio County, Virginia, the tract being a portion of the estate of Robert Worthington which was willed to the daughter Mary, wife of Edward Tiffin. The deed records of Ohio County, W. Va., show that Cuppy bought this land on Dec. 15, 1794 but other records show that it had been purchased as early as 1786. It is quite possible that the deal was made in 1786 but not completed until 1794. It was about this time (1794) that John Cuppy Sr and wife Margaret sold out in Hampshire County and settled near their son John Cuppy Jr. On February 2, 1795, John Cuppy Jr and wife Elizabeth sold 400 acres of the 500 acre-tract to Benjamin Jackson and this left them with the 100 acre tract on which they were taxed during the following years. In 1797, this part of Ohio County, Va., was reorganized into Brooke County, Virginia. Hence, it is in Brooke County that most of the records on the early Cuppy families are to be found.

Elizabeth, the wife of John Cuppy Jr, died about 1818. An historical account of the life of John Cuppy Jr found in the History of Montgomery County,Ohio, states that he sold his land in Brooke County, Virginia, shortly after the death of his wife. The deed records of Brooke show that he sold the 100 acre tract originally bought from Edward Tiffin on May 1, 1818. He began living among his children at this time and in 1821 had settled in the home of his eldest daughter, Elizabeth, who had married Samuel Bartholomew and settled at Lawrenceburg, Dearborn County, Indiana. In the spring of 1823, he moved to Wayne Township, Montgomery County, Ohio, where other children had settled and bought himself a farm. In October, 1824, John Cuppy Jr, then past sixty years of age, married Lydia (Oilar) Russell, widow of Joseph Russell, and they remained on his farm until their deaths. John Cuppy Jr died June 28, 1861, the only Cuppy known to have lived to be over one hundred years in age. He left a will which names his heirs and is on file at Dayton, Ohio. It is reported that he had five children by his first wife and three by his second wife as follows:

(1) Elizabeth Cuppy, who married Samuel Bartholomew, probably in Ohio County, Virginia. They were living in Brooke County,Va., in 1802 at the time of John Cuppy Sr's death. They moved to Dearborn County, Indiana, where John Cuppy Jr visited them in 1821. I have no further data on this branch.

(2) Anne Cuppy, who married Francis Sunderland in Brooke Co., Va., on Nov. 18, 1800. At the time her father died, Anne was married to a man named Moore and was living in Tippecanoe Co., Indiana. At Crawfordsville, Indiana, there is a record of the marriage of Peter Sunderland and Sarah Cuppy in 1825, both being residents of Wabash County, Indiana. It is possible these two were cousins.

(3) Abraham Cuppy, who married Jane Chapman, daughter of George and Johannah Chapman, in Brooke County, Virginia, prior to July 27, 1812. George Chapman's Will, dated Jan. 1, 1807 and probated in July, 1812 does not state that his daughter Jane was married. However, Jane was married to Abraham Cuppy by July 27, 1812 when theysold their first land jointly. Abraham Cuppy died just prior to Feb. 25, 1819 when his estate was appraised. The final estate report states that two infant children under 7 years of age were left. The widow, Jane,

married Joshua Whims on Mar. 20, 1827. As the Chapman Estate consisted of large land holdings, later deed records show that one of the infant children of Abraham Cuppy and wife Jane (Chapman) Cuppy was John Abraham Cuppy. However, there is no record of the second infant unless it might have been Julia Anne, wife of William Ray, to whom John A. Cuppy and his mother Jane (Chapman) Cuppy-Whims with her second husband Joshua Whims released a tract of land in Brooke County, Va., on Deep Gut Run. This John Abraham Cuppy, son of Abraham and Jane (Chapman) Cuppy, was the one who laid out the present city of New Cumberland in 1839. He was born about 1814 in Brooke County, Va., married Margaret Anne Foreman, dau. of Charles and Anne Foreman, and he died about Mar. 5, 1864 as records show a burial lot was purchased for the deceased in the New Cumberland Cemetery. His wife was born in 1822 and died on Dec. 4, 1867. They had four children, three of whom were living at the time of the father's death: (1) John Abram, b. Mar. 4,1843; m. Workley Holland; d. Oct. 28,1915, (2) John, b. 1845 and d. 1861; (3) George Washington, b. ....m. Martha Usselton, and d. ...., (4) Artimacy Celesta, b...., m. John Cunningham, and d.....
Miss Helen Cuppy, County Clerk of Handcock County, New Comberland, W. Virginia, is a daughter of John Abram and Workley (Holland) Cuppy.

(4) Benjamin Cuppy, who married Margaret Downing, daughter of James Downing of Brooke County, Virginia. On Sept. 24, 1825, while living in Montgomery County, Ohio, near Dayton, they sold their inherited interest in the estate of James Downing. On July 15,1825, Benjamin Cuppy bought 80 acres of Govt. Land in Tippecanoe County, Indiana, and an additional 80 acres on Nov. 6, 1829. This would indicate that Benjamin Cuppy and the family of his sister, Anne (Cuppy) Sunderland-Moore, came to Indiana about the same time. It is possible that this is the family that later settled in Wabash and Whitley counties of Indiana.

(5) Thomas Cuppy - I have no records on this son but it is reported that he was named in his father's will on file at Dayton, Ohio. It is probable that he came to Indiana with his brother, Benjamin.

(6) Henry Cuppy, one of the sons by the second marriage, born in Wayne Township, Montgomery County, Ohio, and married and settled near Dayton, Ohio, where he raised a family. He was buried in the Fairfield Cemetery, across the line in Green County, Ohio. His father's body was also removed to this same cemetery.

(7) John Cuppy,III, also born in Wayne Township, Montgonery County, Ohio. This son was living in Washington County, Nebraska, in 1882 as given in a report from the Veterans Administration, Washington, D. C.

(8) Fletcher Cuppy, also born in Montgomery County, Dhio. He married and settled in Washington, D. C., and it is reported that three of his children settled at Norfolk, Virginia, the only branch to settle in the east.

III ABRAHAM CUPPY. Abraham Cuppy, the second son of John and Margaret (Parker) Cuppy, Sr., was born December 12, 1763 just about the time the family moved from Morristown, New Jersey, to Mill Creek, Hampshire County, Virginia. Abraham Cuppy married Susannah Perrin, daughter of Edward and Anne Perrin of Antirtam, Maryland, about 1885. His wife was born Mar. 3, 1766 at Antirtam, Maryland. The deed records of Ohio County, W. Va., show that Abraham Cuppy bought

land on Jan. 9, 1794 in Mingo Bottoms on the Ohio River of John Beard. This was about the same time that his brother John Cuppy Jr purchased land there and also the time his parents came out to the Ohio River Country. Abraham Cuppy was appointed co-executor of his father's will in 1802 and it was Abraham's young son John who was to have the opportunity to later buy the Old John Cuppy Sr land. Abraham Cuppy later settled with his family near Mt. Pleasant, in Jefferson County, Ohio. He died there on Nov. 3, 1840 and his wife Susannah followed him in death on Sept. 8, 1841. They had ten children, including two sets of twins,as follows:

(1) Elizabeth Cuppy, born June 15, 1787, married Charles Noble, and died Feb. 10, 1871.
(2) Margaret Cuppy, born Sept. 26, 1789. No further record.
(3) Sarah Cuppy, born May 10, 1791. No further record.
(4) Anne Cuppy, born July 4, 1793; married James Walker McGrew. No further record.
(5) John Cuppy, born April 7, 1797. This was the grandson of John Cuppy,Sr., whom the grandfather hoped would buy his land.
(6) Mary Cuppy, twin sister of John and born April 7, 1797 ; married John Ong.
(7) William Cuppy, born May 17, 1799; married Mariah Joseph.
(8) Abram Perrin Cuppy, born Feb. 26, 1802 probably in Brooke Co., Va.; married 1st. Ann Worrellwho was born June 16, 1802 and died July 12, 1850. They had eight children: (1) Caroline Cuppy, b. Aug. 24, 1825, m. Thomas Parkinson, and d. Aug. 6, 1900; (2) John Worrell Cuppy, b. Dec. 2, 1827, m. Harriet Atkinson, and d. Mar. 17, 1891; (3) Susannah Cuppy, b. Jan. 30,1830 and d. Jan. 10, 1833; (4) Mary Louisa Cuppy, b. Dec. 24, 1833, m. Mathew M. Waddle; (5) Sarah Ann Cuppy, b. Mar. 13, 1836, m. Henry Cuppy, son of John and Lydia (Oilar) Russel-Cuppy, and d. June 18, 1879; (6) William Hamilton Cuppy, b. Feb. 11, 1838, m. 1st Mary Naylor and 2nd Jane Waddle, and d. Feb. 12, 1913; (7) Margaret Elizabeth Cuppy, b. Sept. 24, 1841, m. David Tweedy, and d. Jan. 15, 1870; and (8) Elthiza M. Cuppy, b. Sept. 9, 1846, m. Marion Strong McGrew, and d. Sept. 3, 1939. On Mar. 16, 1852, Abram Perrin Cuppy married second, Mary Ann Townsend (b. Feb 27, 1816 and d. Sept. 26, 1885) and he died Oct. 31, 1877.
(9) Perrin Cuppy, born Apr. 5, 1804, m. Neel.
(10) Rachel Cuppy, born Apr. 5, 1804, twin of Perrin, m. Meek.

IV HENRY CUPPY. There is no record of Henry Cuppy having bought any land east of the Ohio River in what is now Ohio, Brooke, or Hancock counties of West Virginia. In a history of Wayne County, Indiana, a daughter of Henry and Sarah Cuppy states that she was married to Aaron Stanley and her son Levi was born in Clermont County, Ohio, in 1814. However, the records of Wayne County, Indiana, located just west across the line from Dayton, Ohio, show that Henry Cuppy bought his first land and settled there on Oct. 6, 1818. Henry Cuppy died in Wayne County, Indiana, in 1833 and an administrator of his estate appointed there on Sept. 21, 1833. He and his wife Sarah had a family of eight children:

(1) Daniel Cuppy, listed as the eldest in the Wayne History Account but not listed with heirs of father's estate. He evidently died early.
(2) Mary Cuppy, married Aaron Stanley and one son Levi was born in Clermont County, Ohio, in 1814. This family was included in the estate settlement of Henry Cuppy in Wayne Co., Indiana, in 1833.

(3) Rebecca Cuppy, married Joseph Abrams, and also figured in the estate settlement of her father, Henry Cuppy, in Wayne County, Indiana, in 1833. There is no record of her marriage in Wayne County, Indiana, hence it is probable that she married in Ohio.

(4) James Cuppy, married Sarah Jones in Wayne Co., Indiana, on Nov. 5, 1824, and married Laura McKinney in Wayne County, Ind., on Sept. 2, 1826. There is evidence that James Cuppy had an earlier wife, Elizabeth, and they sold land jointly in Wayne Co., on June 21, 1824. The fact that he had this earlier wife is also borne out by the fact that when he died in 1831, he left seven small children who were then divided up in sets among several guardians. The children of James Cuppy were: (1) John, (2) Leander, (3) Emily, (4) James Jr., (5) Nancy, (6) Henry, and Abraham C. The brother John Cuppy was appointed administrator of estate of James Cuppy, descd., on Oct. 22, 1831. The seven children also were heirs in the estate of their grandfather, Henry Cuppy, in 1833.

(5) Thomas Cuppy, the fifth child of Henry and Sarah Cuppy, bought land in Wayne County, Indiana, as early as Sept. 21, 1820. He married Jemina Ward in Wayne County, Indiana, on Sept. 7, 1820, which would indicate that he was born around 1800.

(6) John Cuppy, the sixth child of Henry and Sarah Cuppy, married Elizabeth Henderson in Wayne Co., Indiana, on Mar. 19, 1825. John Cuppy was appointed administrator of his brother James Cuppy's estate in 1831 and was made guardian of James' son John. John Cuppy died in 1833 about the time both his parents died and administrators of his estate were Thomas Henderson and James Black, appointed Aug. 26, 1833. It is probable that John Cuppy had no children as none were mentioned as heirs in the estate settlement of Henry Cuppy, Sr.

(7) Abraham Cuppy, born about 1805 probably in Clermont Co., Ohio, married Sarah Collins in Wayne County, Indiana, on Dec. 9, 1830. He bought land there shortly after his marriage and took four of James Cuppy's children when James Cuppy died in 1831. It is my opinion that this Abraham Cuppy is the one who later settled in Whitley County, Indiana, and died at Indianapolis, Ind., on Jan. 15, 1847 while serving in the State Assembley, as a representative from Whitley County, Indiana.

(8) Henry Harrison Cuppy, the youngest child of Henry and Sarah Cuppy, was an heir in the estate settlement of his father in Wayne Co., Indiana, in 1833.

V. SARAH CUPPY. The youngest daughter of John and Margaret (Parker) Cuppy, Sr., was born in Hampshire County, Virginia. She married a man by the name of Huffman. A descendant of this branch is W. R. Felton of Sioux City, Iowa.

VI. AARON CUPPY. The youngest son of John and Margaret (Parker) Cuppy, Sr., was born in Hampshire County, Virginia, about 1775. About the time his parents left Hampshire County, Virginia, in 1794, young Aaron Cuppy came down the Ohio River to Bardstown in Nelson County, Kentucky, where on July 29, 1797, he married Mrs. Ruth Bunch, widow of James Bunch. He bought a farm on Cox's Creek in Nelson County, Kentucky, where he remained until his death on Dec. 12, 1822, the bible record stating he was aged 47 years. He and his wife had six children:

(1) John Cuppy, eldest son of Aaron and Ruth (Bunch) Cuppy was born in Nelson Co., Kentucky, on May.25, 1798. He married Fanny Bridwell, daughter of Bailey Bridwell, on Mar. 8, 1817 and three years later he settled in Lawrence County, Indiana. John Cuppy and his wife Fanny are reported to have had ten children before her death in Lawrence County, Indiana on Nov. 5, 1830. Only four children survived the mother and their names were: (1) Ella Mina, b. Dec. 14, 1817.,m. Jacob Gray, and d. Feb. 28, 1875; (2) Hayden Bridwell, b. Oct.23, 1819; m. Elizabeth Bridges, and d. July 9, 1881; (3) Eliza Margaret, b. Oct. 11, 1828, m. James McCammon, and d. Feb. 14, 1876; (4) John Morrison, b. Nov. 2, 1830, m. 1st Parthady Shelburn & 2nd Elizabeth Fox, and d. 1911. Following the death of Fanny (Bridwell) Cuppy, John Cuppy married a second wife, Mahala Lloyd, daughter of James and Margaret (Bridges) Lloyd, in Sullivan County, Indiana, on Oct. 16, 1831. This second wife bore him another ten children as follows: (1) Melissa Jane, b. Sept. 27, 1832, m. Henry Kirkham, and d. Mar. 22, 1923; (2) Letitia Margaret, b. June 27, 1834, m. Pascal S. Hill, and d. Feb. 5, 1896; (3) Nancy Jane, b. Feb. 20, 1836, m. James A. Walls, and d. Apr. 3, 1903; (4)James Lloyd, b. June 4, 1838, m. Susan McDowell, and d. July 31, 1916; (5) William Thomas, b. Mar. 10, 1840, m. Martha Ann Marts, and d. Feb. 7, 1903; (6) Aaron, b. Mar. 19, 1842 and d. Nov. 18, 1846; (7) Seth Emery, b. Apr. 28, 1844, m. Mary Pinkston, and d. June 20, 1926; (8) Julia Ann, b. Nov. 30, 1846, m. James Thompson, and d. Sept. 28, 1900; (9) Sarah Elizabeth, b. June 26, 1849, m. John W. Turner, and d. Oct. 9, 1929; and (10) Luther Rice, b. Mar. 4, 1852, m. Mary E. McKinney, and d. Nov. 17, 1879. John Cuppy died at Shelburn, Indiana, on Apr. 30, 1868 and his second wife followed on Sept. 15, 1875.

(2) Nancy Cuppy, second child of Aaron and Ruth (Bunch) Cuppy, was born in Nelson County, Ky., on Feb. 1800. She married Noah Bridwell in Nelson County, Ky., on Mar. 25, 1817 and they settled in Lawrence County, Indiana, about 1824 where they reared a family of nine children . Noah Bridwell was born in Virginia on Dec. 23, 1797 and died in Lawrence Co., Ind., on Nov. 23, 1876. His widow, Nancy, died August 25, 1895. Their children were: (1) Aaron, (2) Matilda, (3) Hayden, (4) Isabelle, (5) Lafayette, (6) Mary, (7) Jane, (8) Lemuel, and (9) Ephraim.

(3) Mary Cuppy, third child of Aaron and Ruth (Bunch) Cuppy, was born in 1803 in Nelson Co., Kentucky, and married Charles Ratliff on Aug. 23, 1823 in Nelson Co., Ky. I have no further record of this family.

(4) Sarah Cuppy, fourth child of Aaron and Ruth (Bunch) Cuppy, was born in 1806 in Nelson County, Ky. She never married and died in Sullivan County, Indiana, at an advanced age.

(5) William Cuppy, fifth child of Aaron and Ruth (Bunch) Cuppy, was born in 1809 in Nelson County, Ky. It is reported that he was sent to a college in western Pennsylvania and during a fire at the Cuppy home in Nelson County, Kentucky, about 1830 he became overheated and suffered thereafter from occasional fits of insanity. He never married and died Nov. 24, 1879 in Shelburn, Indiana.

(6) Malissa Cuppy, sixth child of Aaron and Ruth (Bunch) Cuppy, was born in 1811 in Nelson County, Kentucky. She married James

Lloyd, brother of the second wife of John Cuppy, in Lawrence County, Indiana, on Oct. 31, 1832. After residing in Lawrence County, Indiana, for a short time, they moved to Sullivan, Ind., where they had a family of eight children at the time of the 1850 U. S. Census. Later they moved to a western state and I have never been able to locate their new location. Their children as listed in the 1850 U.S. Census were: Sarah, b. 1835, (2) Mahala, b. 1837, (3) Matilda, b. 1839, (4) John, b. 1840, (5) George, b. 1843, (6) Ruth, b. 1844, (7) Stephen, b. 1847, and (8) William, b. 1849.

****

This sketch gives a rather complete report of the first three generations of the Cuppy Family in America, with the exception of the families of the two girls in the second generation. It would be very fortunate if the "final court report on the John Cuppy land estate" could be located. It may be found in Jefferson County, Ohio, where the son Abraham Cuppy settled. If the report was made in Brooke County, W. Virginia, where the Will of John Cuppy, Sr., was probated, it is quite probable that the final land settlement report (which would have named all the heirs and would have included the daughters as well as the sons) has been destroyed. The Court House of Brooke County, Va., burned in 1849 and some of the administration records were lost.

I might add that there is evidence that Benjamin Cuppy, son of John Cuppy Jr and his first wife Elizabeth, had several sons accompany him to Tippecanoe County, Indiana. The land records of Tippecanoe show that the following Cuppy men bought government land there shortly after Benjamin Cuppy bought his in 1825. John Cuppy bought 108 acres in Tippecanoe Co., Ind., on July 30, 1825. James Cuppy bought 80 acres in Tippecanoe County, Ind., on Mar. 14, 1829. Adam Cuppy bought 40 acres in Tippecanoe Co. Ind., on Mar. 25, 1833. Abraham Cuppy bought 40 acres in Tippecanoe County, Ind., on June 7, 1834. As Benjamin Cuppy was the first to buy land and bought 160 acres, it is my opinion that further investigation would reveal the later four to have been his sons.

FROM A History of Ashland County BY Geo. William Hill, M.D.
Published by the Williams Bros. Publishers in Cleveland, 1880

(According to Mrs. Hawley, this is the best and most accurate history of Ashland Co. I am not quoting verbatim, but the facts are OK.)

JOHN CUPPY (B. 1797 - D. Sept. 6, 1876)

John Cuppy first visited Ohio in the year 1816. The following fall he returned and built a rude log cabin on a tract of land in Clear Creek Township, Ashland County. In 1817 he married Malinda Wheeler of Baltimore, Maryland. They had seven children: Susan, Eleanor, Mary Ann, Caroline, Edwin, Abraham, and Wesley. Malinda died on May 1, 1869 at the age of 69.

Abraham, the only son living, still has possession of and resides on the old homestead. On October 2, 1860 he married Margaret Eaton. They had seven children.

DEATH RECORDS HANCOCK COUNTY.
Margaret A. Cuppy died Dec 4 1867 aged 45
Daughter of Charles and Anne Foreman
Return made by G.W.Cuppy a son.

Note:- This record says that she was the daughter of Charles and Anne Foreman. We have previously assumed that the above deed meant that she was a daughter of George Chapman. Now then that proves one thing more important. The will of John Cuppy Sr names a son John,and a son Abraham who had a son John. Abraham had died at the time of making the above deed;the widow had evidently married Joshua Whims,and the son John with his wife with the widow unite with others to convey their interest,or Jane might not be the widow,but the daughter of Abraham and

Jane (Chapman) Cuppy. However, it now seems conclusive to me that the John Cuppy who had wife Margaret Anne was the grandson John Cuppy named in the will of John Cuppy Sr. Then the John Cuppy who had a wife Elizabeth must hav e been the son of John Cuppy Sr. Now just what the name of the third son of John Cuppy Sr might be is not clear to me. Was it the Benjamin mentioned in above deeds or was it some one else? I don't find any wills or estates of Abraham, Benjamin, or John Cuppy jr. Perhaps they died quite a distance in Ohio. Some of the records of Brooke County have been destroyed. The court house burned in 1849, and there is a chance that much valuable information in the way of death records and administrations have been lost. Yet I was unable to find any decree from the Circuit Court relative to any such estate; and it seems to me that had there been any administration wherein land holdings must be disposed of that such would be required.

MARRIAGES.

I was unable to find any Cuppy marriages, and I was unable to find the marriage of Emanuel or Manuel McComb or McCombs. Furthermore, I was unable to find the name of Elizabeth McComb or McCombs listed among the heirs of any estate in any of these counties.

Since Cross Creek and Smith Townships are adjacent to the Counties of Brooke and Hancock I think that perhaps Manuel McCombs must be one of the unnamed children of some of these estates. You will observe that there are one or two of such wills, and some of them filed no accounts; so that there is no way left to check on them.

Yours very truly,

E.B.Iams.

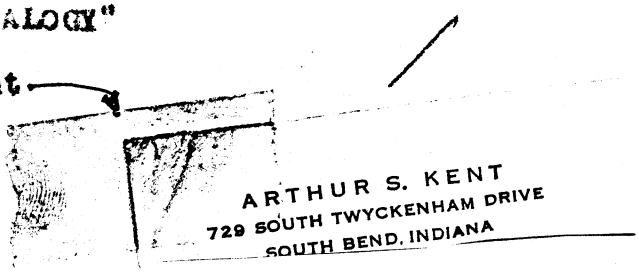
EXCERPTS FROM "KENT GENEALOGY"

by Arthur Scott Kent

Chicago, 1933



CHAPTER I

The Kent Family

In the booklet "Kent Family Record," pp. 15 and 16, it was suggested that Joseph Kent, of Washington County, Penna., and Absalom Kent, of Fayette County, Penna., may have been brothers of our ancestor, William Kent, and that possibly they were grandsons of Richard Kent of Fairfax County, Virginia. It was also suggested that Joseph's wife, Ann Rankin, may have been a sister of Sarah Perrin, who married William Kent. These were suppositions merely and at this writing it has not been found possible to confirm them; but from information obtained from various sources, including the notes of Martha Foreman Johnson, great-great-granddaughter of Joseph and Ann Rankin Kent, it seems extremely probable that Joseph, Absalom and William Kent were brothers, but that they were not descendants of Richard Kent, although they may have been related to him. It is believed that Ann was related to Sarah Perrin, although it is possible that they were not sisters.

According to Mrs. Johnson's records, the parents of Joseph and Absalom Kent were Absalom and Ann Kent. Our own family records, which are believed to be thoroughly reliable, state that William's parents were Absalom and Nancy Kent. As "Nancy" is a diminutive of "Ann," the records in that respect are practically identical. In addition to the three brothers, there is said to have been a sister, Susan. There may have been other children, but their names are not known. The search for definite information in regard to the elder Absalom's death, as well as incidents in connection with his life in Old Town, Maryland, has been greatly handicapped by the fact that the records in Allegany County do not go back of 1791, prior records having been destroyed by fire. In Mrs. Johnson's notes, the date of Ann's birth is said to have been 1707. This is the only apparent inconsistency in the record. Our ancestor, William Kent, was born in 1763. His mother may have been born in 1717 instead of 1707.

The following is offered as a probability, although it should be understood that the evidence in not absolutely conclusive:

FIRST GENERATION

Absalom Kent. Born Feb. 15, 1702, in England. Came to America about 1751, settling first in Fairfax County, Va., and moving to Old Town, Md., prior to 1763. Believed to have been killed by Indians about 1765.

Ann (or Nancy), wife of Absalom Kent, born in England Oct. 26, 1707 or 1717.

1.

Children of Absalom and Ann (or Nancy) Kent:

i. Joseph Kent. Born Dec. 24, 1750, in England. Died in 1856, aged 106 years. Married July 17, 1787, Ann, widow of Zachariah Rankin.

ii. Absalom Kent. Born Oct. 16, 1752, in Fairfax County, Va. Married Tabitha -----.

iii. Susan Kent. Married -----.

iv. William Kent. Born Oct. 3, 1763, at or near Old Town, Md. Died Mar. 24, 1849, in Paxton Township, Ross County, Ohio. Married in Washington County, Penna., Feb. 24, 1789, Sarah Perrin, daughter of Edward and Ann (Kelley) Perrin.

SECOND GENERATION

2.

William Kent, son of Absalom and Nancy Kent, was born Oct. 3, 1763, at Old Town, Md. Died Mar. 24, 1849, in Ross County, Ohio. Married in Washington County, Penna., Feb. 24, 1789, Sarah Perrin.

Sarah Perrin, daughter of Edward and Ann (Kelley) Perrin, was born Mar. 24, 1770, at Hagerstown, Md. Died Aug. 16, 1839, in Ross County, Ohio. Both William and Sarah are buried in Bainbridge, Ohio.

CHAPTER II

The Perrin and Kelley Families

John Perrin, great-grandfather of Perrin Kent, was living in Frederick County, Maryland, as early as 1763, and probably much earlier. From the number of deeds made by him during his lifetime, and by his executors after his death, it appears that he owned large tracts of land in Frederick and Washington Counties, Maryland.

He died about January, 1770. In his will he mentions his sons Edward, John and Joseph Perrin; daughters Susannah and Mary; and granddchildren, names not given. The inventory of his estate was taken February 26, 1770, and Joseph Lazear and Thomas Lazear are given as "next of kin."

The children of John Perrin (order of birth not known) were:

Edward. Married Ann Kelley. Died between 1775 and 1785.

John. Died after 1803.

Joseph. Married Rachel Kelley. Died between April 13, 1782, and November, 1784.

Susannah. Married.

Mary. Married.

Edward Perrin, grandfather of Perrin Kent, was living in Washington County, Maryland, in 1770, but probably moved to Bedford County, Penna., before his death, his brother John having gone there. Edward Perrin took up land in Washington County, Penna., which land was patented after his death to his oldest son William, for the benefit of all his heirs. Edward Perrin was one of the executors of his father's will, and as such conveyed land as late as November, 1775, but had died before June, 1785. His widow, Ann, lived in Washington County, Penna., as early as 1789, and possibly some years before.

The will of "Anne Perrine, otherwise Kelley" of Hopewell Township, Washington County, Penna., was dated January 28, 1820, and was "proven" or probated February 3, 1820. In it she bequeaths to her son, Edward Perrin, $41.66-2/3 "year and yearly from the year 1808 as a compensation for my maintenance"; also $60 as a special legacy. "And next I order the remainder of my personal estate which being wholly with the above bequests lying in the hands of John Brothard bequeathed by William Kelley to Anne Perrin, daughter of said Kelley as will appear on the records of Washington County, State of Maryland, to be divided equally amongst my other children, share and share alike." (Will Book, Washington Co., 3-332.)

The children of Edward and Ann (Kelley) Perrin, order of birth not known, were:

William. Married Elizabeth -----.

Edward. Married Sarah -----. Died about 1857.

Joseph.

Sarah. Born Mar. 24, 1770. Married Feb. 24, 1789, William Kent. Died in Ross County, Ohio, Aug. 16, 1839. Buried in Bainbridge, Ohio.

Deborah.

Rachel.

Rebecca.

From many records in Frederick and Washington Counties, Maryland, it appears that William Kelley (or Kelly), lived in Frederick County as early as 1752. His land included "Cheney's Delight" and "Rutting Springs" in Frederick County and "Kelley's Delight" in Washington County, Maryland.

There is some evidence that he was married twice and that his first wife was named Catherine. However, it is not certain that this was the same family.

William Kelley, of Washington County, Maryland, made his will March 8, 1788, and it was probated October 8, 1791. In it he mentions his wife, Mary Ann Kelley; Ann Perrin, to whom he leaves, after the death of his wife, the land on which he lives; John Perrin, Jean Breathard and Rachel Perrin. Evidently the Kelley and Breathard (or Brothard) families were related. (It will be noted that the family name is sometimes spelled "Kelley" and at other times "Kelly." It is believed that the former is correct.)

There may have been other children, but the only ones known are:

Ann. Married Edward Perrin. Died about Feb. 1, 1820.

Rachel. Married Joseph Perrin.

* * * * *

Joseph Kent, son of Absalom and Ann (or Nancy) Kent, was born Dec. 24, 1750, in England. It is believed that he was about a year old when he came with his parents to America. It seems altogether probable that the family first lived in Fairfax County, Virginia, and that they later removed to Old Town, Maryland. John was living in Washington County, Penna., at the time the Federal census of 1790 was taken, at which time his family consisted on "1 male over 16 years, 1 under 16 and 3 females," which it is believed represented himself, wife and three children.

On April 13, 1802, Joseph Kent and Ann, his wife, deeded to Thomas Allison a parcel of land in Washington County containing 66 acres and being a part of a tract of land called Perrinsfield, granted to William Perrin for himself and in trust for the other heirs of Edward Perrin, deceased.

In a deed dated March 13, 1807, Joseph Kent and Ann, his wife, then residing in Jefferson County, Ohio, executed a deed for land in Washington County, Penna., reading in part: "Whereas, Zachariah Rankin (deceased) late of Smith Township, Washington County, Pa., in his last will and testament, did bequeath his land to his only child, Abby Rankin, subject to his wife's dower, and whereas Joseph Kent is married unto Ann, the widow and relict of the said Zachariah Rankin, deceased" they "Joseph Kent and Ann, his wife, of Jefferson County, Ohio," in consideration of $100 to be paid in 5 years, quit claim all right, etc., to John McCalmont of Washington County, Penna., in land of Zachariah Rankin.

Zachariah Rankin (a son of William Rankin, who went to Washington County in the fall of 1773) took up a tract of land near

his father's. It was surveyed in 1785 as "Black Oak Ridge," contained 337 acres and was located on Raccoon Creek. In the October following, he was bitten by a mad wolf and died three months later of hydrophobia. He was married and a daughter was born after his death. She inherited the property and became the wife of Isaac Wood. (History of Washington County.)

Fr From the deed of April 13, 1802, referred to above, as well as from family tradition, it is thought that Ann Rankin Kent may have been related to Sarah Perrin, who married William Kent. However, that is not certain.

Joseph Kent died in 1856, at the age of 106 years.

Absalom Kent, believed to be the brother of Joseph and William, was born in Fairfax County, Virginia, Oct. 16, 1752. His name is on the tax lists of Tyrone Township, Fayette County, Penna., for 1785 and each succeeding year to 1805, when he removed from the state. In the census of 1790 he is listed as "Head of Family." From Pennsylvania, he went to Harrison County, Ohio, where he probably settled near the town of Cadiz. While living in Ohio, he applied for and received a pension as a soldier in the Revolution. The date and place of his death are not known.

The foregoing excerpts are from the book owned by Mrs. Martha Foreman Johnson, referred to in the first paragraph.

Arthur Scott Kent, author of the book, is a great-grandson of William Kent and Sarah (Perrin) Kent, and therefore a double third cousin* of Mrs. Johnson's mother, the late Mrs. Lavinah (Kent) Foreman, and is also a third cousin* of C. A. McCrew.

Mr. Kent's descent, omitting names of all other children of William and Perrin and William Kent, is as follows:

William Kent (1765-1849), married in Washington Co., Pa., in 1789,
Sarah Perrin (1770-1839), daughter of Edward Perrin and Ann (Kelley) Perrin.
Perrin Kent (1794-1882), married in Ross Co., Ohio, in 1818,
Rebecca Dill (1792-1863).
William Kent (1821-1884), married in Williamsport, Ind., in 1847,
Martha Jane Hitchens (1827-1899).
Arthur Scott Kent, born 1868 in Williamsport. (Mar. 2)

* Assuming that Ann Rankin, widow, who married Joseph Kent, was a sister of Sarah and Susannah Perrin, as it seems almost certain she was.

John Cuppy, Revolutionary War Hero, who formerly lived in Hampshire Co, Virginia, moved to Ohio County, Va., near New Cumberland, where 1st wife died, seemed to have had five children, namely, eldest daughter, Elizabeth (Cuppy) who married Samuel Bartholomew and lived in Lawrenceburg, Indiana, and son Henry Cuppy. John received pension and had a will - data found at Dayton, Ohio.

According to W.V. Riggs,Terre Haute, other children were Benjamin, and Thomas. It is possible that the fifth child was Aaron, the father of John Cuppy of Shelburn. Aaron Cuppy married Ruth Bunch in 1797, and to them in 1798, John Cuppy of Shelburn was born. Data found in Bardstown, Nelson County, Kentucky.

One branch of the Cuppy family live in Tipton County, Indiana.
